Dear Sheriff Plummer,

The Judges of the United States District Court for the Southern District of Ohio, Western Division at Dayton signed General Order No. Day 13-03 on October 21, 2013. A copy of the signed general order is attached to this correspondence. The general order pertains to attorney visits to detained federal defendants. No attorney is permitted to visit a detained federal defendant where such inmate is represented by another attorney, without the express written permission of the Court. Counsel may, of course, visit their own clients and individuals so incarcerated who are without counsel at the time of the visit.

This order applies to inmates/prisoners confined for both felonies and misdemeanors in the eight counties that the Court serves, as the result of matters involving the United States District Court at Dayton. A copy of the General Order has been provided to the United States Marshal for distribution to the jail facilities in the respective eight counties.

In an effort to publicize the general order to as many individuals as possible, the Judges of the District request that you consider posting the general order to the Montgomery County Jail web page.

Your consideration in this matter is greatly appreciated.

Respectfully,
